

Disclosure Statement

Offered as transparency and openness around the work I do.

1. **Coursework:** I've an Associate of Science and a Bachelor's degree. I've also completed additional coursework. Postliminary training includes a University of Waikato (UoW) IPC ([COUNS546](#), UoW Counselling Faculty, 2019) and clinical specialist training in counselling at the Association of Sex Addicts Trauma Specialists ([APSATS](#), 2022).

2. **My Work:** My work in IP-NIRI (Intimate Partner - Narrative Informed Relational Interviewing) comes from the VSNT. I completed postliminary studies in NIRI (Narrative Informed Relational Interviewing) at VSNT and received The Certificate in Advanced Skills in Narrative Practice: Narrative-Informed Relational Interviewing with Conflicted Couple Relationships (2023).

3. **Identity Claim:** I use NIRI to unpack the complexities of conflicted couple relationships where underlying learning needs may be present but perhaps are not readily apparent. My role in this work is akin to an Intimate Partners Relationships Educational Diagnostician. [More](#) about this identity claim is on my website.

4. **Notes:** In accordance with the [IAMFC Code of Ethics](#), brief notes can be made available to you if you consent. It can serve as a record that can be a useful reminder of important themes in our conversations. Do you consent to me emailing these notes to you using the email addresses you provided when booking?

5. **Confidentiality:** Our conversations are confidential, unless harm is imminent. I may present some of these confidential conversations to supervision, for additional insight. Holding to client anonymity during supervision ensures your confidentiality.

6. **Fees:** Sessions are for 1 hour at a fee of \$135.00 per session.

7. **Cancellations:** Late Cancellations: If you provide 24 hours notice of a cancellation, no cancellation fee will be charged. If you do not give 24 hours notice of a cancellation, a 50% cancellation fee may be charged.

8. **Satisfaction:** While it is my expectation that I will provide a quality professional service, if you are not satisfied with the service you have received, you are welcome to discuss this with me. If, after talking with me, you remain dissatisfied, you may 'raise a concern' with my external supervisor, or see the [TCANZ](#) or the [International Association of Marriage and Family Counsellors](#) to submit a formal complaint.
